Floral Design:

- Accessories, features, background panels and underlays provided by the exhibitor are permitted. Personal property should be labeled with exhibitor's name.
- Exhibitor's name must appear on entry card. Exhibitors can have up to 3 entries.
- Each entry must have been designed by one person, not a group.
- Designs may not have been exhibited in previous flower shows.
- Some plant material must be used in each design but need not have been grown by exhibitor.
- Plant material must be listed on the entry. The use of plants on the state conservation list is prohibited. Native plants, other than those on the state conservation list, may be exhibited in the design division if they are grown or legally obtained by the exhibitor.
- Artificial flowers are permitted in the design.
- Fresh material may not be treated in any manner.
- Only dried material may be treated to alter its exterior appearance.
- Living members of the animal kingdom are not permitted in the design division, and taxidermal representations of the same are also not allowed.
- Exhibitors are asked to consider the longevity of plant material used since the show is open to the public for six days.
